**MEMO ENDORSED**

**Re: United States v. Enzo Vettese  
13 CR 987 (DLC)**

Dear Judge Cote:

With the consent of the Government, I write to request an extension of the deadline for pretrial motions in the above-referenced matter. The parties are engaged in negotiations towards a potential disposition. The extension would give the parties additional time to discuss a resolution in this matter. Moreover, an extension is requested to allow adequate time to prepare pretrial motions in light of the COVID-19 pandemic and ongoing restrictions to client access at the MCC (legal visits are suspended and legal calls are limited). Therefore, with the Government's consent, I request that the Court endorse the following schedule:

- Mr. Vettese's pretrial motions due by August 3.
- Government response by August 10.

Respectfully submitted,

/s/
